

Medical Sharps & Prescription Drug Disposal

Arizona Department of Environmental Quality
Waste Programs Division
Waste Inspections & Compliance Unit

2020

Used needles can be thrown away using one of two methods:

1. Free
- or
2. Fee

The Free Method

Safely throw needles in the trash by:

- Placing in a plastic jug or metal can (to encapsulate sharps)
- Taping lid
- Writing “Do Not Recycle” on outside of container
- Placing container in a plastic or paper grocery bag
- And placing in the trash

The Fee Method

- Use a Biohazardous Medical Waste Transporter
 - Refer to ADEQ's Biohazardous Medical Waste Transporter Directory at:
static.azdeq.gov/wpd/biohaz_med_waste_transp_list.pdf
- Fees vary by transporter. Please call to get quotes

Transporters will deliver used needles to a treatment facility. After treatment, the needles are disposed of at a landfill permitted to accept treated biohazardous medical waste.

Why put used needles in containers before placing in the trash?

- To discourage trash pickers from taking needles out of trash
- To protect landfill workers
- To prevent fluids/blood from potentially leaking into soil and groundwater

- **Discarded Drugs**

Any prescription medicine or over-the-counter medicine used in the treatment, or immunization of a human being or animal, that the generator intends to abandon. The term does not include hazardous waste or controlled substances regulated by the United States Drug Enforcement Administration.

Prescription Drug Disposal

ARIZONA PRESCRIPTION AND OVER-THE-COUNTER DRUG DISPOSAL LOCATIONS

- The Drug Enforcement Administration (DEA) hosts National Take Back Days twice a year. Check website for current dates. ***DOES NOT include hazardous waste***
- ***April 27th***
 - takebackday.dea.gov
 - **Do not** flush medicines down the toilet

Why dispose of prescription or over-the-counter drugs this way?

To protect our soil, water and
groundwater

- Examples of Household Hazardous Waste (HHW)
- Batteries
- Lead-Acid Batteries (automotive)
- Household Batteries
- Pesticides
- Solvents and Paint
- Aerosols
- Compact Fluorescent Bulbs (CFL's) and other Mercury containing Lamps

- Most cities provide Household Hazardous Waste events throughout the year. Please check with your city to find out when and where these events will be held.
 - Will need to show proof of residence
 - Ask what HHW your city will take
- AZRecycles: azrecycles.gov
- Recycle Search (top left button)
 - Will provide recyclers in your area that will take your HHW.
