

Environmental Manager - Phoenix, AZ

CT is experiencing phenomenal growth and is seeking an Environmental Manager to support our four facilities in Phoenix, Tucson, El Paso, and Albuquerque. This position provides a competitive salary and company vehicle.

Summary

The successful candidate will possess extensive DOT and EPA hazardous waste related knowledge, and experience managing all aspects of an industrial solid waste program. Periodically, field work requiring knowledge of NORM (Naturally Occurring Radioactive Materials) and radiation monitoring and survey equipment will be required. Extensive training will be provided for NORM related activities.

Duties

- Work closely with Dispatch and Logistics Coordinator in arranging transportation needs for internal and external customers
- Identify health and safety/compliance requirements for various types of projects
- Responsible for the creation of accurate cost estimates based on disposal and transportation requirements
- Understand expected job profitability
- Manage all internal and external customer waste profiling needs
- Perform necessary waste sampling/analysis based on TSDF, state, and customer requirements
- Create DOT/EPA/NORM required proper shipping documents for waste shipments
- Perform other duties and tasks assigned by management

Requirements

- High School diploma or equivalent
- 5+ years of waste transportation industry experience required
- 5+ years industrial waste management experience required
- Leadership and supervisory skills
- Knowledge of transportation equipment, environmental regulations/statutes, safety and compliance
- Knowledge of State, Federal & DOT Hazardous Waste/Materials/NORM regulations
- Strong computer skills
- Strong communication skills
