

Environmental Services Manager/City of Chandler, Arizona

Candidates must have experience managing environmental services staff and resources, providing regulatory advice and guidance to City management, serving as the liaison to environmental regulatory agencies, maintaining the Environmental Management compliance records, managing all aspects of environmental incidents from clean-up to reporting.

Minimum Qualifications:

A bachelor's degree in chemistry, Physics, Engineering, Environmental Science or related field; and five (5) years of experience with regulatory compliance activities, including two (2) years of supervisory experience in a municipality; and a valid Driver's License with acceptable driving record; or any equivalent combination of experience and training which provides the knowledge and abilities necessary to perform the work.

Desired Qualifications:

- Knowledge and experience in environmental regulatory experience including Resource Conservation and Recovery Act (RCRA), Comprehensive Environmental Recovery Compensation and Liability Act (CERCLA or Superfund), Clean Air Act, Clean Water Act, Emergency Planning and Community Right-to-Know Act (EPCRA), and all other Federal and State regulations.
- Asbestos management and abatement
- Safe handling and shipping methods of solid and hazardous waste
- Arizona Department of Environmental Quality (ADEQ), Maricopa County Air Quality Department and Maricopa Association of Governments air quality processes, regulations and permitting requirements
- ADEQ stormwater requirements
- Demonstrate supervisory skill and performance evaluation, establish priorities, and assign resources for timely completion of assignments; operate a personal computer and related software or programs.
- Knowledge of City processes and preparing and tracking budgetary items

This position is unclassified and will serve at the pleasure of the City Manager.
